**Alberto Del Rio** is a father of three, who grew up in his home at 565 Banks St. A strong but gentle and religious man, Alberto is an eloquent speaker on behalf of his family and other foreclosure fighters.

**Victor Granados** is a tenant at 4207 Folsom St. with his wife and family. He is a quiet but determined fighter against his and other foreclosures. When Occupy Bernal needs guidance and inspiration, he often has words of wisdom.

He is also an accomplished public speaker, a veteran fighter for social justice and a participant in struggles against U.S. military intervention in Central America.

**Maria and Washington Davila** are a quiet couple with two beloved Yorkshire Terriers, the Davilas have rented their home at 4255 Folsom St. for 7 years. They have been the ideal tenants, and the inside of their home looks like a photo shoot from Home Beautiful. Their landlord, who faces foreclosure, is ill and lives in Las Vegas.
