Subject: Stop Holiday Eviction of Alice & Five Children

Please stop the holiday eviction of senior Alice Smith of 15 Le Conte Circle in San Francisco (CitiMortgage loan #1000031156). Reduced reimbursements for five special needs children lowered her income. Please either a) rescind sale and urge Citibank to offer an affordable loan modification, or b) sell home to supportive investment group at fair price of \$450K, rather than \$510K offered by PennyMac, so Alice can buy back her home for the holidays and beyond.
